ACROSS AUSTRALIA TRADING

FROM ADELAIDE MANUFACTURING BUSINESS
ACROSS AUSTRALIA TRADING COMES THE ULTIMATE
RANGE OF AUSSIE WOOL MARINO FABRICS.

Certified: Aussie Wool Fabrics are made of Australian Merino Wool fibre exclusively.

Across Australia Trading is pleased to announce the launch of our new range of Aussie Wool Fabrics and Australian Made jackets constructed from some of the most texturally-rich materials sourced from one of the world's most reputable mills with the guarantee that all worsted products are made of Australian Merino Wool Fibre Exclusively.

Our mill supplies the major & most of the high class brands of the Korean Men's wear market as well as the major brands of the Korean School uniform market.

Our mill is responsible for large volume supply of:

- Japanese National Railroad uniforms;
- UAE Military & Police uniforms;
- New Zealand, Philippine & Saudi Arabia Airline uniforms; and
- School uniforms of New Zealand, Japan & Mongolia.

People now at all levels in the Clothing Industry are looking for Australian products and proof of locally sourced wool.

Aussie Wool Fabrics has been created to identify fabrics made exclusively from Australian Merino Wool, and where the conscientious end-users can be assured the wool has come sheep farmed in Australia.

Across Australia Trading is ahead of the curve now with the release of its range of Aussie Wool Fabrics while many other textile suppliers choose profit margins over quality and customer satisfaction.

What other blazer fabric supplier in Australia promises the use of Australian Wool and a high quality fabric at an affordable price? This coupled with Across Australia Trading's passion for locally manufactured goods, the school blazer textile market is taking notice of Across Australia Trading with its new range of Aussie Made Fabrics.

We support local schools and colleges with an affordable range of premium fabrics...

Across Australia Trading is now the preferred supplier of this exclusive range of Australian merino wool fabrics.

Not only do we support local schools and colleges with an affordable range of premium fabrics, our reach extends into the design schools and to young Australians. This means Aussie Wool Fabrics will be seen by customers locally and internationally. Customers everywhere will know with certainty that Aussie Wool Fabrics uses certified Australian Wool and they won't want anything but.

By choosing to buy from us you are supporting Australian wool growers and the Australian jobs. With a select range of school blazer fabrics, you are securing a consistent quality fabric supply.

The school blazer is the signature garment in your school uniform and an Across Australia blazer is manufactured from the high quality Australian Merino wool blend fabric. Aussie Wool Fabrics is in a class of its own.

I look forward to meeting with you to discuss this further with you and how we can work together to use Aussie Wool Fabrics for your school uniform needs.
